He Pō Whakangahau - A Night of Entertainment

Come and be dazzled at He Pō Whakangahau – A Night of Entertainment at New Zealand's Parliament Buildings.

The evening will start with private small group tours of Parliament followed by drinks in the Legislative Council Chamber and on to dinner and dance in the Grand Hall. This is truly an iconic space at the heart of New Zealand's democracy and numbers are limited.

This event is being subsidised by the NZ Resuscitation Council.

The cost per ticket is \$160 plus GST. Tickets will be allocated strictly on a first come basis – please note payment of your invoice must be received by the due date or your dinner ticket may be forfeited.

Tākina

Tākina has been designed and built in a way that reduces negative impacts on the environment. It has been awarded Five Green Star Design certification – the first convention centre in the country to achieve this standard. The rating represents New Zealand excellence for environmental sustainability, energy efficiency and green building.

This striking new building is the Capital's largest built infrastructure investment since the Wellington Regional Stadium two decades ago. Tākina will offer event facilities across three floors and 18,000 sqm, drawing visitors to Wellington to learn, meet and be inspired.

Construction started in December 2019 and Tākina Wellington Convention and Exhibition Centre will open in June 2023.
